FORT ANCIENT RESTORED MACHINERY CLUB

Annual Show-Since 1984

2nd Weekend After Labor Day Fri, Sat, Sun

Oeder's Lake-Morrow, Ohio

VENDOR Information and Rates for 2008

This year, our Club has added electric for the vendors in order for our show to keep expanding and to eliminate individual generators for safety reasons. We have also added our own Safety Committee to help ensure good safety practices. Please use outdoor approved extension cords rated for the required amperage, etc. Spaces will be allocated based on power needs. All standard spaces will be 20x20 feet. If more room is needed: you may, if available, purchase an additional 1/2space at an additional 1/2 cost of your standard space. **Please advise when you submit your application.**

The location of the electric sites will be on the first row, next to the driveway. These sites will primarily be for the food vendors who will have first priority. Possibly some minimum electric will also be in this row. Only electric users will be in the first row. Non-electric and the rest of the minimum usage (lights only) vendors will be in the second row.

2008 RATES (all three days)

Food Vendors:

- | | | |
|---------------------------------------|-----------------|--------------------|
| 1. Full Menu Food Vendors | \$150.00 | 20x20 space |
| 2. Confectioners, limited food | \$100.00 | 20x20 space |

Minimum Electric

- | | | |
|--|----------------|--------------------|
| 3. Lights, displays only
(Crafts, flea market type) | \$40.00 | 20x20 space |
|--|----------------|--------------------|

No Electric

- | | | |
|------------------------------------|----------------|--------------------|
| 4. Crafts, flea market type | \$20.00 | 20x20 space |
|------------------------------------|----------------|--------------------|

Open spaces may be provided in the 2nd row for eating areas, if required, but you must make arrangements for tables and chairs.

We would prefer the booths to be set up Thursday evening and/or Friday Morning, We want everything to be operational by Friday noon. The gates open at 12:00 noon and paid attendance starts at 3:00 and events start 4:00. We will close Sunday evening at approx. 6:00 and would like everything to be removed by Monday evening.

For Applications

Contact: Gene Bustle (513) 899-3008 or Cecil Lumley (513) 899-3034
